General Price List

Effective January 15, 2009*

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

The packages below offer a package discount when compared to the itemized selections on the general price list. These packages include selecting a casket or cremation container from Infinity Cremation Society. The cost of the casket or container you select will be added to the price of the package you choose. As the packages include various types of services, no credits for deletions are possible. Any item selected that is not included in the package is considered an additional charge.
